MEMORANDUM FOR: Director, Defense Communications Agency

25X1A FROM : [REDACTED]
Special Assistant to the DCI for Compartmentation

25X1A SUBJECT : [REDACTED] Implementation

1. In accordance with Presidential Directive (PD/NSC-55, 10 January 1980 [S]), a new Special Access Control System, [REDACTED] is being established to control Special Access Programs related to National Foreign Intelligence.

25X1A 2. [REDACTED] is being implemented in phases which will span at least
25X1A the next several years. The DCI is being assisted in establishment
25X1A and operation of [REDACTED] by an [REDACTED] Steering Group which is composed
25X1A of representatives of NFIB members and DCI committees. The [REDACTED]
Steering Group is establishing a working group that will address
25X1A implementation of [REDACTED] in communications networks and other computing
25X1A systems supporting the Intelligence Community. Because of the
extensive and critical role of the AUTODIN network in transmission
of the Special Compartmented Information to be protected under [REDACTED]
I request that a representative of the Defense Communications Agency
participate in this working group.

25X1A

25X1A

25X1A 3. The working group is expected to meet once weekly starting
in early August. Initial efforts between then and mid-November will
be aimed at identifying the systems changes and associated cost
estimates related to [REDACTED] conversion. Later efforts will address
the planning for and implementation of those changes.

25X1A 4. Please contact me or any member of the [REDACTED] Control Staff
[REDACTED] if you have any questions concerning this request. Other-
wise, please provide the name of your representative to [REDACTED]
